Motion in All Horses*

Guaranteed Ingredient Levels

MSM

Devil's Claw

Yucca

Highest Quality

FM Solution™ with MSM, Devil's Claw, and Yucca.

Fluid movement, without stiffness—that's what you can get with Select's new FM Solution™. Developed to address the issue of free movement in joints, FM Solution provides guaranteed levels of Devil's Claw, Yucca Schidigera, and MSM, all combined to support a healthy and natural response to pain and inflammation.

Devil's Claw—4x extract containing high levels of Harpagosides

Yucca Schidigera—2x liquid extract containing high levels of Saponin

MSM—100% pure Methylsulfonylmethane for quick absorption
